With reference to the above matter, I, Mogan A/L Muniandi, Founder & Chief Executive Officer would like to introduce our company.

We are a multi-level networking company with a referral programme specializing on vacation packages travelling throughout the world. We started on the 17th of November 2016 and up till now we have around 50,000 (fifty thousand) affiliates throughout Malaysia (including Sabah & Sarawak). Our members enjoy vacation packages plus income when they develop their network.

Our Board of Directors have decided to create a fruitful collaboration with your company by which the members can enjoy discounts and other benefits through MN Global Trips Sdn Bhd Loyalty Card.

Please enlighten us in which channel we can collaborate with your distinguished organization.

The bearer of this letter is an authorized member of MN Global Trips Sdn Bhd and is privileged to seek an appointment with your good self to enlighten more on our collaboration.

Thanking you.

Yours Faithfully
